New Hampshire Liberty Alliance

2015 Liberty Rating

This is the twelfth annual Liberty Rating issued by the New Hampshire Liberty Alliance, based on 50 roll call votes in the House and 22 in the Senate. This year the House earned a collective grade of **C** and the Senate a **C+**. Individual grades for each representative and senator are based on pro-liberty or anti-liberty roll call votes on bills that have been included in our Gold Standard liberty voting guides distributed to Senators and Representatives each session day. The Legislator of the Year is awarded to the individual with the highest score calculated from these votes.

Pro-liberty votes protect individual freedom of choice and personal responsibility; recognize the superiority of freedom over coercion; respect the citizen's right of self-ownership; promote governance that is transparent, accountable, and adheres to the Constitution; and recognize the value of voluntary economic decisions.

Anti-liberty votes replace self-governance with interventionist regulation; assume rules made by agencies backed by force are superior to voluntary choices backed by personal accountability; and assume a better economy can be managed by a central authority that compels people and businesses to pay for policies they may not willingly support.

The Liberty Rating is the result of hundreds of hours of work by many volunteers who have read and analyzed bills, testified before committees, called and written their representatives, worked on our other signature publication, the Gold Standard, and culled extensive data from legislative voting records.

We encourage New Hampshire citizens to learn the facts about how their elected representatives are voting in Concord and to use this tool to hold them accountable. This report card serves as a valuable voter guide when these same representatives are running for re-election.

Motions of Ought to Pass (“**OTP**”), Ought to Pass with Amendment (“**OTP/A**”), and to accept a Committee of Conference report (“**C of C**”) pass a bill. If we recommended yea on these motions, it was a pro-liberty bill; if nay, it was an anti-liberty bill. Motions of Inexpedient to Legislate (“**ITL**”), **Table**, or **Indefinitely Postpone** kill a bill. If we recommended yea on these motions, it was an anti-liberty bill; if nay, it was a pro-liberty bill.

A “**win**” or a “**loss**” indicates the result in the particular chamber in question. It does *not* mean the bill became law.

Legislator of the Year

The Honorable Dan Itse represents the town of Fremont in Rockingham County's District 10. Rep. Itse, who is serving his 8th term in the House, sits on the Children & Family Law committee. During the 2011/2012 house session, he served as Chairman of the Committee on Constitutional Review and Statutory Recodification.

Rep. Itse has been an ardent voice in defense of the New Hampshire Constitution at the State House. He has been an advocate for Jury Nullification and has introduced many bills defending State's rights and the tenth amendment. Furthermore, Representative Itse has been a member of the NHLA's 5 year honor roll every year since it was begun in 2010, showing his outstanding commitment to liberty in New Hampshire's legislature.

Rep. Itse served a two year term as the NHLA's political director, in 2007-2008 and continues to contribute to the Gold Standard. He also directed the NHLA's State House tour during this year's New Hampshire Liberty Forum.

Rep. Itse is a chief engineer, with a master's degree in chemical engineering, and expertise in the design of low-emissions combustion systems. He holds four patents.

Activist of the Year

Bill Alleman was born in Massachusetts, at an undisclosed date and time. In 1983, he moved to California, and in 1988 to New Hampshire, where he has remained. Bill is the guiding force behind the group Free Weare, and for many years was the videographer for Capitol Access, a current events show about NH politics.

On February 22nd, 2011, on his way home from a protest supporting a local restaurant owner against the Weare Police Department, Bill was pulled over. He informed the officer that he was recording the interaction. The officer responded with a "that's fine", but later Bill was charged with felony wiretapping in State of NH vs Bill Alleman. The case resulted in a ringing victory for freedom in New Hampshire. Bill won the case and proceeded to sue the town for violating his rights under the Constitution. His case became a precedent and rallying point for freedom of the press.

For many years, Bill has recorded hearings in the New Hampshire House and Senate at his own expense. Often, winners of the Activist of the Year award are celebrated for their work on a single issue. This award celebrates a great work spread over time, spent largely behind the camera instead of in front of it.

Bill Alleman is also the author of the blog, "Adventures in the Free State, which can be found here: <http://bikerbillnh.blogspot.com/>

Guide to House & Senate Districts

Use this section of the Liberty Rating to find your House and Senate districts based on your town. Each House district is the name of your county followed by a number. Senate districts are simply a number, 01–24. Many towns are covered by two overlapping House districts, the second of which is known as a “floterial district.” If your town is in a floterial district, the floterial is listed second.
